MacKenzie Commercial Real Estate Welcomes Adrian Hessen

MacKenzie Commercial Real Estate is proud to introduce the newest member of their Downtown Team, Adrian Hessen. As a Real Estate Advisor with MacKenzie, he will specialize in the sale and leasing of commercial office buildings in the Baltimore Metropolitan area.

Hessen, an active member of the construction and real estate development industry for more than a decade, is excited to translate his trade expertise into knowledgeable sales and leasing advice.

"My construction background will allow me to provide practical, client-focused facility solutions to building owners and tenants," said Hessen.

Hessen has a Bachelors of Science degree in Civil Engineering from The Pennsylvania State University and a MBA from the University of Baltimore. Previously, he worked for Opus East and Forrester Construction as a project manager. In addition, he has served as President of an entrepreneurial venture.

"Adrian captures the energy, enthusiasm, and business acumen essential to success in the real estate business," said Mark Deering, Senior Vice President/Principal at MacKenzie.

Hessen is the fourth addition to MacKenzie's Downtown office this quarter, illustrating the Companies' commitment to enhancing client services and coverage in the Baltimore Metropolitan market.

Hessen can be reached at 443.573.3214 or by email at ahessen@mackenziecommercial.com.
