MacKenzie Commercial Real Estate Services Welcomes Jamie Daue

MacKenzie Commercial Real Estate Services is proud to introduce the newest member of their suburban office team, Jamie Daue. As a Real Estate Advisor with MacKenzie, Daue will specialize in the sale and leasing of commercial office space in the northern Baltimore County market.

Daue, a resident of Towson, holds a Bachelor's Degree in Communications from the University of Maryland and brings more than five years of marketing and sales experience to the team.

Formerly, Daue was an associate for Anheuser-Busch Inc. in Denver, Colorado, where he was responsible for over \$7 million in sales annually.

"Jamie is an experienced marketer coming from a world-class organization. His energy, coupled with an impressive sales record, make him an excellent asset to our suburban office team," said Gary Gill, President and CEO of MacKenzie Commercial Real Estate Services, LLC.

Daue, and the expansion of the suburban office team, illustrate MacKenzie's commitment to best serving the Baltimore Metropolitan area. Daue will help the pro-active team attract new tenants to the market, which is positioned to grow with over \$500 million in private investment underway for office, retail, entertainment, and residential projects.
